Lets talk about our offer

- An oral health plan for your family and your community
- Tailored to your specific needs and culture
- It is for you; our services will come to you, it doesn't matter that you have a dentist in your neighborhood or not.
- It is affordable, just pay for the adults above 12 years old.
- Oh yeah, your children under 12 cover by Medicaid, so their visits are free.
- For a family of four with two children under 12, it just costs \$\$\$. Unbelievable right?

Your family needs it

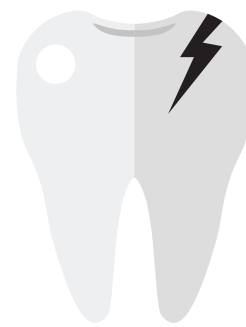

- Cavities are a chronic disease; you can prevent them.
- By checkup twice a year, you can prevent drilling and filling.
- Old school advice, prevention is cheaper and better than cure.
- Tooth infection is dangerous and can kill your beloved ones.
- There is a direct connection between oral health and overall health.
- You deserve to be healthy and stay healthy.

How we made it different

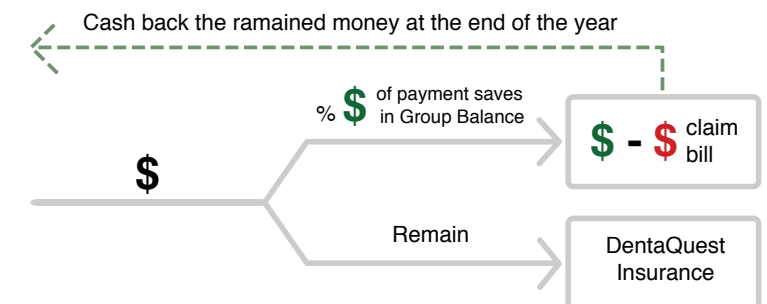

- You and your friends join it together and create a community inside our plan.
- Your friends support you here like in real life.
- We come to your community and check you and your friends Visit you in the convenient locations in which you usually gather, like your church.
- Part of your payment saves in the group balance account. At the end of the year, if your submitted bills would be less than this amount, you will receive the remain balance as cash back.

Health provider will come to your community and family

Cavities are not normal; it is a chronic disease, so it is not related to your genes. Stop it today to do not have drilling and filling.

We reward you by cash back if you stay healthy
